

# Jahid Rahman

WEB DESIGNER & DEVELOPER

## ABOUT ME

Dynamic and creative Wordpress & Elementor Expert with foundational experience in designing and developing engaging, user-friendly websites. Proficient in utilizing Wordpress and the Elementor page builder to create visually appealing layouts that enhance user experience. Adept at customizing themes and plugins to meet specific client needs, while ensuring responsiveness and SEO-friendly practices. Eager to collaborate and contribute to innovative projects, bringing a keen eye for design and a commitment to delivering quality results. Always looking to further enhance skills and stay updated on the latest trends in web development.
